# Why Study Monkey?

## The Study Monkey Difference

At Study Monkey, we go above and beyond to make sure our students succeed. We're all about smashing goals, encouraging dreams, and most importantly, giving students a chance to really maximise their potential. We mix together traditional tuition with mentorship, placing an emphasis on the tutor-student relationship and creating personalised programs for every student to equip them with the skills necessary to excel both at school and beyond it. Our staff aren't just tutors. They're mentors, motivators, and the biggest asset you could have if you're serious about improvement

# Our Services

## Primary Tuition

Sometimes, it can be a challenge to keep young minds focussed. Our tutors make sessions fun and hands on to keep kids engaged and teach them to love their studies. We offer tuition in primary school Maths, Science and English

## Secondary Tuition

For many teens, high school can be stressful. Our tutors incorporate assessment planning and goal setting into sessions to make school as easy as possible. We offer tuition in all high school subjects including ATAR prep
